VILLAGE OF KENILWORTH

PERMISSION TO INSTALL A LAWN SPRINKLER SYSTEM IN THE PUBLIC STREET

Permission to install a lawn sprinkling system, part of which will be located in the public street at the residence of _____ Kenilworth, is hereby granted subject to acceptance by the owner of the following conditions applying to any part of such installation in the public street, as evidenced by his endorsement of this letter:

1. The Village assumes no responsibility or liability because of the installation, and the owner will hold the Village harmless in any action arising therefrom.

2. Existence of the sprinkling system in the public street shall not in any way interfere with the right of the Village to excavate therein for repair, maintenance or installation of any public utilities or for any other necessary purpose, or to provide public services such as snow plowing of public sidewalks and streets.

3. The Village will not be required to maintain or replace any of such system as may be damaged by any such work, or by any other maintenance or construction operation.

4. At no time, either during operation or otherwise shall any part of the sprinkler system on public property project above ground level and, further, any part of the system which is located within 18" of a sidewalk, curbing, driveway, manhole, valve or any ground level structure or facility shall at all times be below said structure.

5. All sprinkler heads will be so located, shielded, adjusted or directed that they will not sprinkler the public pavement or public sidewalk when in operation.
