RE: Support Townley Field Renovations

Dear Fellow Resident:

Our Village's precious parklands and recreational amenities contribute greatly to the quality of life in Kenilworth. These open spaces and recreational areas increase property values and make our community a great place to live. The Kenilworth Park Board is committed to maintaining the high quality of Kenilworth's parks and plans to make upgrades to various park properties, including Townley Field. With limited resources available and limitations imposed by property tax cap legislation, the Park Board seeks your support and financial contribution.

TOWNLEY FIELD: Last year's advisory referendum question regarding renovations to Townley Field indicated broad community support for natural turf. In keeping with this feedback, the Kenilworth Park District has been exploring a variety of natural turf renovation options. Townley Field is a unique asset for the Village. This park receives almost daily use year round by our various youth sports leagues and Sears School. The Park Board hopes to protect and preserve this asset for many years to come through a complete renovation project this fall. We are planning to regrade and resod the entire field with athletic blend natural turf.

The Park Board has accumulated limited financial reserves to address the needs of Townley Field, but as there are over 8 acres of passive parks, playgrounds, and recreational facilities in the Village, the Kenilworth Park District is also asking all residents to consider making a tax deductible donation to offset the improvement costs for Townley Field. Your gift will be used to offset the cost of the proposed total field renovation project, as well as to purchase needed field maintenance materials such as sod, fertilizers and needed field maintenance equipment. Townley Field is an important part of the Village's character. Take action today to help improve the crown jewel of the Kenilworth Park District's recreational fields. *Donations of any amount are welcome and will be applied to the purchase of field maintenance supplies, equipment, or for professional natural turf consulting services.*

Thank you for considering a gift to the Park District to aid in the renovation and restoration of Townley Field. Please mail your donation, payable to the Kenilworth Park District, to 419 Richmond Road, Kenilworth, Illinois 60043.

Sincerely,
Kenilworth Park District Board

Please show us your support for all the Kenilworth Park District programs and facilities by making a financial contribution toward Townley Field improvements today!

I am interested in making a donation for Townley Field Improvements. My tax deductible gift in amount below is enclosed.
